

MEDICAID ENROLLMENT ASSISTANCE

Walk...!

Walk...for the Uninsured!

Get fit, get insured, be well! That's the agenda for "Walk for the Uninsured," sponsored by the Detroit Wayne County Health Authority on Saturday, August 9, in Detroit's New Center. Access to health care is a critical issue in our community, but we're doing our best to make sure everyone can receive quality health care. We want to put a face on health care in a big way. Come out and walk for the cause. We'll have Medicaid enrollment, information on health services in the community for the uninsured, and a lot of fun.

Let our elected officials and the rest of the community know that health care is important to all of us. Be there, and be well!
