

# Parents of Inkster Students:

CHECK OUT  
INKSTER SCHOOLS  
AND GET A  
**FREE**  
STUDENT  
PHYSICAL  
EXAM!

When you make your back-to-school check list, add “school physical,” because it’s free and it’s important.

The Detroit Wayne County Health Authority and several community medical volunteers will be giving comprehensive physical exams to incoming Inkster students during the Inkster School District’s Enrollment Fair on Aug. 21:

- Dental, vision, and hearing screening
- Lead testing
- Immunizations
- General health information and Medicaid enrollment.

It’s not only the right thing to do for their health, but a healthy student is a better student. Studies show that when a student is healthy, they learn better and excel in school.

If a student has a health problem, we’ll refer them to a health center that will provide treatment.
